THAT "ADLER" CLOTHING

No made to measure garment is hand tailored more elegantly than one of this celebrated make.

Hand padded shoulders, hand set collars, hand tailored lapels—it's this hand work that gives the lastingness of shape and this great satisfaction is always found in the "ADLER" clothes.

We would be pleased to have you stop in for a "look" at some of the handsome new styles we are showing in this make and at the same time

ask for an "ADLER" style book, which cleverly portrays in colors the newest styles for the coming season.

Wednesday.

PROGRAMS ARE GIVEN

Considerable Important Business is Transacted.

Secretary and Treasurer of Both the Home and Foreign Societies Submit Their Monthly Reports.

Many interesting missionary topics were under discussion at the regular monthly meetings of the Home and Foreign societies of the First Presbyterian church yesterday afternoon. The attendance exceeded one hundred and the sessions proved exceptionally profitable.

The Home society went into session at 2 o'clock and discussed in general the good features of this country. The program opened with the scripture lesson which was read by the president, Mrs. C. R. Phelps. Mrs. S. E. Barlow offered a prayer and Mrs. Carroll May, leader of the program, read a leaflet on the subject, "Our National Obligations" concluding her number with a short article, "New Missionary Opportunities." Mrs. William Jackson read a splendid article on the theme, "New Developments" and Mrs. W. L. Warner told in an interesting manner of "Our Resources as a Nation." Possibilities" was the subject of a well prepared article read by Mrs. Fred Schaffer, and the program was concluded by a song.

A short business session was held and a great deal of important business considered. The treasurer and secretary gave their reports. The constitution and by-laws of the society were read and several amendments were suggested and later adopted. The secretary held a receipt for the last missionary box which was sent to North Carolina and it showed a valuation of \$71.

After discussing a great deal of routine business the society adjourned.

FOREIGN SOCIETY.
"Japan" was the subject which furnished interesting debating matter for the members of the Foreign society which went into session immediately upon adjournment of the Home society.

Mrs. William Krause was leader and opened the program with a talk in which she described her trip to Chautauqua, giving in detail an outline of the work done there. Mrs. William Fies read a paper on the theme, "New Japan." She described the country and its people since the war, declaring it a nation which has awakened to great possibilities.

"The Joy of Answered Prayer" was the theme of a paper read by Mrs. G. M. Rourke. A prayer was offered by Miss Emma Mitchell and Mrs. Edward Munnell nicely rendered a vocal solo.

Mrs. U. S. Seffner, Mrs. M. Leonard and Mrs. J. Hummer were appointed on a committee which was authorized to prepare a memorial for

Mrs. S. H. Bartram, whose death was announced at the meeting. After a short business session in which the secretary and the treasurer submitted reports, the program closed by repeating the Lord's prayer. Class C of the church served supper to about 150 people in the basement of the church between the hours of 5 and 7 o'clock.

RESOLUTIONS

At the reunion of the Hardin family and relatives, held at Glenmary Park, Aug. 29, 1907, a committee of three was appointed to draft resolutions of respect and condolence on the deaths of three of our members. Whereas, it has pleased our Heavenly Father since our last reunion to remove from our midst three members of our association, viz., Thomas Eager, of Marysville, Ind.; Mrs. Clara Daniels, of Marion, and Miss Edna Patten, of Hyattsville, O., and Whereas, it is but just that a fitting tribute be paid to their memories, therefore be it

Resolved, That while we bow in humble submission to the Holy Divine, yet we do not the less mourn for those friends who have been removed by death unto the great beyond, to await the final resurrection of the just, and that their virtues be held in loving remembrance, and while at our reunions their places will be vacant, we hope to meet them in our great reunion around our Father's throne.

Resolved, That a copy of these resolutions be sent to the relatives and a copy to the Gazette for publication.

MUST NOMINATE
DITCH SUPERVISORS

Act is Passed By The Last General Assembly.

New Township Officials to Serve four Years, Receive \$2 a Day for Actual Service.

Prosecuting Attorney John H. Clark has found that nominations for a new township office must be made at the various primaries held throughout the county, this fall. At the last session of the general assembly an act was passed providing for the election of a ditch supervisor in each township having township or county ditches. His term of office will be four years and he will receive \$2 a day for actual service.

At the primaries already held, both parties failed to make nominations for this office and the vacancy will have to be filled by committees appointed for that purpose. The prosecuting attorney desired to announce the necessity of making such a nomination before the caucuses throughout the county are held.

ALVERY PEERY
PAINFULLY INJURED

Buried Beneath Wagon Load of Baled Hay.

Left Wrist is Fractured and Dislocated—Bruised About the Face and Body.

Alvery Peery, aged 23, a farm hand employed by Ludwig Risch, residing four miles north-west of the city, had a narrow escape from serious injury while driving a load of baled hay across the Big Four tracks at the rear of the Vail block at 10 o'clock Thursday morning.

Peery had weighed the hay at the Harsell scales and was about to cross the railroad tracks when a rear wheel of the wagon came off. The load of hay was overturned and the driver partially buried beneath the heavy bales. The horses ran away but were stopped near the Big Four freight house.

The young man was picked up by witnesses and hurried to the Central Emergency hospital, where he was given surgical attention by Dr. Chas. and his corps of assistants. The physician's examination disclosed that he had sustained a fracture and dislocation of the left wrist and numerous bruises about the face and entire body. He was later removed to the Risch home in the country.

WEDDING
CEREMONY

Solemnized at St. Paul's Church.

PRETTY SOCIETY EVENT

Was the Golden—Stoll Nuptials Wednesday.

Beautiful and Impressive Ceremony is Performed by the Rector, Rev. R. G. Mapes.

One of the most notable church weddings of the year was that which took place, Wednesday evening, at St. Paul's Episcopal church, uniting Miss Edith Blakeslee Godden and Mr. Howard R. Stoll. St. Paul's was crowded with the 300 or more invited guests and the ceremony throughout was one of the most beautiful and impressive ever solemnized in the stately old edifice. The complete Episcopal ring service was used by the Rector, Rev. Edmund G. Mapes.

The interior of the church was elaborately and tastefully decorated with palms, smilax and cut flowers, the color scheme being yellow and green.

The ceremony took place promptly at 7:30 o'clock, the bridal party being ushered in shortly before that hour. Previous to the ceremony, Miss Nellie Doty played "Violets," which was changed to Lohengrin's Wedding March while the bridal party entered.

Messrs. David Evans, George Schweinfurth, R. G. Lucas and Eugene Godden were ushers. They preceded the bridesmaids, Miss Pearl Cheney, Miss Mildred Leffler, Miss Ethel Young and Miss Dessie Gregory. Each of the bridesmaids carried a basket of nasturtiums. Miss Leffler and Miss Cheney wore pretty gowns of messaline silk and Miss Gregory and Miss Young were dressed in white batiste.

Miss Mildred Christian, the maid of honor, wore a beautiful creation of yellow radium silk and carried a shower bouquet of yellow roses.

Following the maid of honor was the bride, with her father, Mr. S. F. Godden. Miss Godden wore a lovely gown of white messaline silk with lace trimmings. Her veil was plumed with orange blossoms and she wore a beautiful necklace with a pearl heart pendant set with pearls and a diamond, a gift of the groom.

At the chancel rail the bride and her father were met by the groom and the best man, Mr. Frank Smiley. Following the marriage rites, Miss Doty played Mendelssohn's Wedding march.

Immediately after the service at the church there was a reception at the home of the bride's parents, Mr. and Mrs. S. F. Godden, at No. 874 East Church street. About 100 of the guests at the church visited at the Godden home. In the receiving line were the bride and groom, the parents of the bride, Mr. and Mrs. Godden, the parents of the groom, Mr. and Mrs. John H. Stoll, the bridesmaids, maid of honor and the best man.

During the reception a program was played by Dowler's five-piece orchestra. A two-course luncheon was served.

The Godden home was prettily decorated with smilax and nasturtiums.

the color scheme being yellow and green, the same as was observed at the church.

The young couple left over the Hocking Valley late Wednesday evening for a trip of two weeks to Detroit and Mackinac. On their return they will be at home at No. 110 Bradford Place. A large crowd of the friends of the young people accompanied them to the railway station and put them through the customary experience of being showered with rice and old shoes and having their baggage decorated with placards.

The bride has long been prominent in local society circles. She is a graduate of Marion High school, having been a member of the class of 1902 and during the past few years has held a position as teacher in the public schools of the city.

The groom is a young man who has for a number of years been a prominent figure in Marion's social and business affairs. He is a member of the shoe firm of John H. Stoll & Son. For several years he has been a member and officer of the Tally Wag club. Both the bride and groom have a host of friends.

The guests from a distance were Mr. and Mrs. T. R. Smith, of Delaware; Mrs. Gordon Robertson, of Chicago; Mrs. C. E. Miller, of St. Joseph, Missouri; Mrs. Eugene Quackenbush, of Chicago; Mrs. Frank Beery, of Urbana; Miss Elizabeth Blakeslee, of Pittsburg; Miss Myra McClelland, of Huntington, Indiana; Miss Emily Daugherty, of Columbus; Mr. Clark Rogers, of Detroit; Mr. Arthur Quackenbush, of Chicago and Mr. Ralph Rarey, of Columbus.

Erie Issues Anti-smoking Order.

CEDAR POINT CLOSES

Erie Passenger Trainmen Will End Their Runs at Galion Instead of This City.

According to a report from Galion which was confirmed by local railroad men today, beginning September 15th the Erie passenger engineers and trainmen will end their runs at Galion instead of taking their layovers in this city as has been the custom for the past several months.

Last spring an order was issued which changed the runs of passenger trainmen from Galion to this city. However this order has been revoked and the runs on trains No. 10, 11, 9 and 16 will end in Galion again after the fifteenth. When the change was made only a few of the men residing in Galion moved to Marion but instead dead-headed their way between here and their homes. The Erie officials ordered the change because of it being more convenient to its employees.

A. F. Ingalls, formerly superintendent of the Big Four and well known in local railroad circles, now assistant superintendent of the Lake Shore railroad was calling upon local friends yesterday afternoon.

Harold Wilson formerly depot agent of the Wells Fargo Express company, now agent of the company's office at Rochester, Indiana, returned to his place of employment today after spending a week visiting his parents in the city.

The Erie has issued an order demanding that employees refrain from smoking while on duty at the division headquarters. The order will be rigidly enforced.

The Erie will fit up a large building located near the depot in the Galion yards, for a temperance hotel and club house for the employees.

The pleasure season at Cedar Point will come to a close next Sunday evening after one of the most successful seasons in its history. The passenger agents of all the railroad received the notification from the Cedar Point directors today. For various reasons the directors of the famous resort have seen fit to close the place somewhat earlier than usual.

Clifford Landon, a noted landscape photographer and artist from Ada, Ohio, who has been in the city for several weeks making pictures of local railroad features, left today for Dayton where he will photograph the Erie belongings in that city.

PLATE WINDOW BROKEN

Twenty-five Dollars Worth of Dress Goods Taken.

Charles Miller Pleaded Guilty to Selling Liquor on Sunday and is Fined \$25.

Burglars, evidently amateurs, used a paving brick to smash a heavy plate glass window on the east side of the Denman and Jenner dry goods store on West Center street last night and carried away several bolts of goods, the total value of which did not amount to more than \$25.

About two o'clock one family, living in the flat above the store heard a loud noise, but they were of the opinion that it occurred in the flat above them and they paid no further attention to it. The brick made a large hole in the plate window and cracked the entire glass. Three bolts of muslin, one bolt of table linen and one bolt of flannelette were taken. The burglars could have easily removed more of the shattered glass and entered that part of the store where more valuable materials are kept.

The police have no clue to work on but the circumstances seem to indicate that the burglars were either boys or men who are novices.

On an affidavit filed by Roy Chapman, Charles Miller, of the firm of Miller and Kalkbrenner, was arrested this morning, charged with selling intoxicating liquors at the bar in Hotel Nordica a week ago last Sunday. Miller appeared in the Mayor's court and pleaded guilty to the charge. He was fined \$25.

William Tron reported to the mayor this morning that he is having considerable trouble with a boy named Ernest Helwig. Tron is laying sidewalks on Olney avenue and Helwig enjoys himself by throwing rocks at Tron just to see him squirm. Tron states that the Helwig boy struck him several times and he wants the practice stopped in the future. Helwig will be taken before the probate judge today.
